

HEALTH & SAFETY POLICY STATEMENT

The promotion of effective Health & Safety procedures is paramount to our operation. Health & Safety is a key management function and takes precedence in the planning and completion of all business activities.

It is our policy to:

Provide adequate control of the health, safety and welfare risks arising from our work activities which may affect employees or others

Consult with our employees on matters affecting health and safety

Provide and maintain safe plant and equipment

Ensure safe handling and use of substances

Provide information, instruction and supervision for employees

Ensure all employees are competent to do their tasks, and to give them adequate training

Prevent accidents and cases of work related ill health

Maintain safe and healthy working conditions

Ensure sufficient funds are available to implement this statement

Review and revise this statement as necessary at regular intervals not exceeding 12 months.

The responsibility for health & safety, both on our own premises and on site, is a joint commitment and each employee has a duty to protect themselves and to do nothing that will endanger themselves or any other person.
